Ms. Liz Cargile
District Commissioner
Medina County Emergency Services District No. 5
PO Box 144
Natalia, TX 78059-0144

Dear Ms. Cargile:

We have received the results of the May 6, 2023 election to adopt local sales and use tax in the Medina County Emergency Services District No. 5 at a rate not to exceed 1 1/4% in the district. The 1 1/4% for Medina County Emergency Services District No. 5 and the 7/8% Medina County Emergency Services District No. 5-A sales and use tax will become effective within the boundaries of the special purpose district on October 1, 2023.

You have confirmed that the district is located in the southeastern portion of Medina County, is completely overlapped by Medina County Emergency Services District No. 4, and excludes any location already imposing a 2% local sales and use tax, which includes the city of Natalia for sales tax purposes, and the city of Lytle. The portion of the district in unincorporated Medina County overlapping any portion of Natalia Municipal Development District and Medina County Emergency Services District No. 4-A will become Medina County Emergency Services District No. 5-A. You have identified the following ZIP Codes and addresses that will be in the district.

We will contact you in the near future for the information we need in order to arrange for your sales tax allocation payments to be made by direct deposit as required by state law.

If you have any questions or need more information, please call me at 800-531-5441, extension 3-9634. The regular number is 512-463-9634. My email address is Aubrey.Mashburn@cpa.texas.gov.

Sincerely,
