Ms. Liz Cargile
District Commissioner
Medina County Emergency Services District No. 5
PO Box 144
Natalia, TX 78059-0144

Dear Ms. Cargile:

We have received the results of the May 6, 2023 election to adopt a 1 1/4% local sales and use tax in the Medina County Emergency Services District No. 5. The 1 1/4% local sales and use tax will become effective within the boundaries of the special purpose district on October 1, 2023.

You have confirmed that the district is located in the southeastern portion of Medina County and excludes the city of Lytle and for sales tax purposes, the city of Natalia, and is completely overlapped by the Medina County Emergency Services District No. 4. You have identified the following ZIP Codes to be partially in the district: 78016, 78052 and 78059; please let me know if there are other ZIP Codes that are in the district. A listing of active taxpayers in these ZIP Codes will be provided to you via email for your review. Please identify the taxpayers that will be in the Medina County Emergency Services District No. 5 (delete those that are not in the district) and return your edited list to me via email. Also, at your earliest convenience please provide us with a listing of all businesses that provide utility, cable, and waste disposal services within the district so that we may notify them of the new district sales tax, prior to the effective date.

We will contact you in the near future for the information we need in order to arrange for your sales tax allocation payments to be made by direct deposit as required by state law.

If you have any questions or need more information, please call me at 800-531-5441, extension 3-9634 or at my regular number 512-463-9634. My email address is Aubrey.Mashburn@cpa.texas.gov.

Sincerely,
