**FAMILY COURT EARLY CASE MANAGEMENT BEST
PRACTICES RECOMMENDED GUIDELINES**

The Ad Hoc Work Group on Family Court Early Case Management recommends the following best practices guidelines for voluntarily implementing pilot projects in the First, Second, Fourth, Cass County in the Ninth and the Tenth Judicial Districts:

1. This pilot project is designed to expedite resolution of litigation, reduce acrimony among the parties, reduce costs to family court litigants by peacefully resolving disputes, and reduce the number of appeals and post judgment motions to modify decrees.

5. Pilot Courts should expand their awareness of and recommend services that support the early case management process and reduce the number of post-decree disputes and motions for relief. (Examples include (a) www.ourfamilywizard.com <<http://www.ourfamilywizard.com/>> and (b) use of a "Ready Response" Family Court Services Representative, who is available on short notice to help resolve fact issues.)

6. Pilot Courts should attempt to implement as many of these early case management best practices guidelines as possible consistent with the available district court resources."*

In the case of such an emergency the subject and general content of any such communication shall be memorialized by a Journal entry in the Calendar feature.

The Court orders the parties to utilize the OFWpay expense feature to record and formalize all potentially reimbursable expenses in order to mitigate the necessity to litigate in the future over such matters. An electronic file of the receipt for payment must be attached to each request or record. Each parent shall preserve the original of any scanned or photographed document posted

All parents entries shall be viewable via a Professional Account to both parties' attorney(s) of record and the (Judge / Commissioner / Minor's Counsel / Parent Coordinator / Special Masters / GAL) assigned.

This Order of Court shall remain in full force and effect until further Order of Court.
