

STATE OF TEXAS
COUNTY OF _____

BEFORE ME, the undersigned authority in and for the State and County aforesaid, on this day personally appeared _____, who by me being first duly sworn on his/her oath, deposes and says:

My name is _____. I live at _____. My home telephone number is _____. My work address is _____. I am employed as _____ at _____. My work telephone number is _____. I am _____ years old. I can read, write, speak and understand the English language.

It is the policy of this pawn shop (_____) to verify each and every person completely who pawns or sells anything of value to us. We are required to verify each transaction by the use of photo identification. We are required to record race, sex, date of birth, type of identification used and identification number. I do this as a matter of record with each transaction. I can say without hesitation that the name recorded on the pawn receipt is in fact the same person whose identity was verified by me before the transaction.

On a normal work day, one employee can process 20-25 transactions; and we have found that it is impossible to identify a person who made a transaction when presented with a photo lineup by a police officer several weeks or months after the transaction took place. This is the reason for this procedure

I am willing to appear in court to testify to the facts of this statement if necessary.

This statement is true and correct to the best of my knowledge and belief.
